The image shows a screenshot of the Blender website. At the top left is the Blender logo. To the right is a navigation menu with links for Features, Download, Support, Get Involved, About, Donate, and Store. The main content area features a large image of a character in a futuristic, metallic helmet with glowing green visors. Overlaid on this image is the text "Design. Model. Sculpt." and a sub-headline: "Blender's comprehensive array of modeling tools make creating, transforming, sculpting and editing your models a breeze." Below this is a horizontal menu with categories: Modeling, Animation, Rendering, Simulation, Video Editing, Game Creation, Scripting, VFX, Customize, Pipeline, and What's New. On the left side, there is a sidebar menu with "Modifiers" and "Sculpting" (which includes sub-items: Brushes, Dynamic Topology, and Mask). On the right side, there is a white box titled "Blender's modeling tools include:" with a bulleted list: Keyboard shortcuts for a fast workflow, N-Gon support, Edge slide, collapse and dissolve, Grid and Bridge fill, and Python scripting for custom tools and add-ons.
